

SIMPLICITY

IS THE ULTIMATE SOPHISTICATION.

These models mean business!

The Olivetti d-Color MF259, d-Color MF309 and d-Color MF369 print and copy at 25ppm, 30ppm and 36 ppm, respectively. They are designed to reduce costs and emissions and improve secure data communications; without sacrificing work efficiency, speed or standards. **Here is a simple list of some of their attributes:**

-  **Extremely long life-cycles with very high print volumes from 1,000,000 to 2,000,000 pages**, depending on the model.
-  A simple to use **10.1" multi-touch User Interface** which has an **innovative vibration feature** for added touch sensitivity.
-  **New Faster Automatic Document Feeders** scanning up to **100ipm** for single-sided scans and **200ipm** in duplex.
-  **Standard 8GB RAM** memory and, for the first time, on an Olivetti MFP, a **256GB capacity SSD**.
-  **Faster warm-up and first print out speeds** than their predecessors.
-  **New Toners with lowered fusing temperatures** to reduce energy usage and ergonomically designed for easy replacement.
-  **New Anti-virus Scanning** option to enable solid data protection.
